1. Who can believe my report? To whom shall the arm of the lord be revealed/strengthened? To whom shall I turn to my servant/my servant to? I love you all.

2. Shall you say we run to/in the streets and see no man/one? Nay thou will holocaust see and be afraid fearing for your life-thought. See me and hinder me not with your many prayers/intercessions of not-me when all along I played the fool, not; but danced before thee in the streets, not; but showed you all of me and harlotry you chose over me. Dance with me not, in hell I will see you, not; for my face never again seen, not in this life. I love you still. I love still, even now/then, afterwards I love you still/even. I love you forever. Your choice, regardless. I Am.

3. My who love me keep my commandments not just, still; but ever more so pressing into me seeth the kingdom of heaven real and true, true and real, reality made real to the unready, not; the ready, prepared, trimmed wicks; angelic hosts, not; all. I love you.

4. Into me seen seeing the lovely now incarcerated you die on the/my cross, not; yours, mine. Did. I love/see you. Do you see/love me? I see/love you all internally, infernally not but incarcerating no one, I release all who want me do, still. Count the ways should I still? They/I never end loving my lovers. I love you all.

5. My love extends the heavens, not in/by thought; by surrender. Serene now, watch me chaos not but bring tranquility to the heavens thought, not; heaven real. I love you. Zion is. I love you still/Zion real and true, shade and tabernacle not; all of me/of me see. I love you all/still.

6. Amazed not at my incarceration you still mourn, not; but reconcile many to me, not by thought but action real, did, have again, now doing now again.

7. "Let me be me," my battle cry, not; heart cry/is. I love you all.

8. Let me be me and you be me and me you are already, or are you/we? Can we be one? Were we? Are we? And what shall the potter say to the/my clay? I love you/thee. Be me. I have given you my all/died for you, given you my kingdom; enter in, please, now. I thank you. Enter into my fullness prepared for you before the world foundation'd was. I love you. Enter into my presents/presence. Enter my fullness/Christhood measurelessly/measureless. Enter my presence forevermore.

9. Not saved? Laugh at, not; surrender unto truth incarcerated not, but released forever. Yoke bent, not; removed forever. Languish not in hurt/bent-state but erect now, forever one, move about, roam heavenlies at random, not; in accord with/of one, father. I love you all. Father has given us all. We are him, surrendered.

10. I make your choice not; you do/must. Inevitably, inevitable; I am, you are, you do; each one of you. I love you all/still. Amen.

Me.
